New BOOKS (50% Margin)

Glenn Rawson has been telling inspirational stories for over 30 years. His stories started as a way to teach and share with his family and a few close friends. His stories are now broadcast throughout the United States on more than 50 radio stations each week, and has shared many stories as a narrator on both "Sounds of Sundays" and "History of the Saints" Broadcasts.

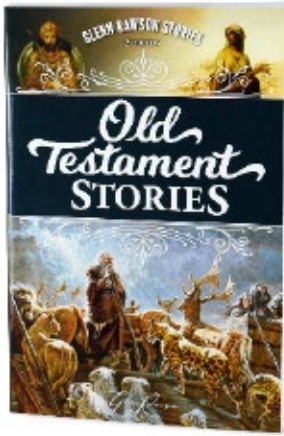

Stories of the Hymns

By Glen Rawson and Jason Tonioli

\$29.95 - BNA025

This book of short stories is about sacred Christian music, made distinct from the world's music by the gospel message it declares and the Holy spirit that empowers it. Each hymn text and song have a shared authorship of mortals who wrote it and the almighty who inspired it. The Stories are about those authors and composers and what cause and inspired them to create the sacred lyrics and melodies. It also includes stories of how these hymns enriched the lives of others. Bringing joy and comfort. Our hope is that your love of and faith in the Lord Jesus Christ will grow by what you read here.

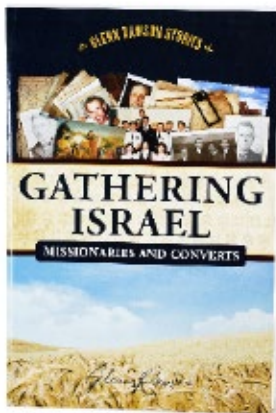

Old Testament Stories

By Glen Rawson

\$24.99 - BNA026

Stories live beyond generations. It is, in part, for that reason that the Almighty has created an enormous library of stores called the Holy Scriptures. For thousands of years, the children of God have read and applied those same stores to their own lives. Those stories are divine gifts, conveying doctrine, principles, and examples of righteous living, or its opposite. Stories tend to stick in our minds, memories, and heart, instructing, inspiring, and edifying long after the first reading. The Old Testament is so real and so human. Its pages are full of real-life heroes and the worst type of villains. There are numerous layers of meaning embedded in each story, and this book represents decades of study, insight, and application. It is not a book expounding the doctrine and mysteries of the universe, It is not a study guide or a commentary. It is a testimony of the Lord Jesus Christ and the way He would have us live as taught in the Old Testament.

Gathering Israel - Missionaries and Converts

By Glen Rawson

\$29.95 - BNA027

This is a book about the gathering of Israel and the stories of those engaged in the work President Nelson referred to as the “most important work in the world.” It is a collection of inspiring, motivational, and instructional stories about missionaries, missionary work, and the converts and conversions that make up this sacred labor. Many of the stories are drawn from the past and illustrate the faith, hard work, and sacrifice that is required to assist the lord in gathering Israel for this last time. These stories are a witness that this is the Lord’s work and He works with His servants closely to accomplish His purposes.

Tell Me The Stories of Christmas

By Glen Rawson

\$19.99 - BNA028

Of all the names the Angel could have used to refer to the newborn Messiah the first Christmas night, he said, “For unto you is born this day in the City of David a Savior, which is Christ the Lord” (Luke 2:11). During the Christmas season, our thoughts turn to the babe born in Bethlehem. He truly is the Prince of Peace.
